

ON TIME MOVING & STORAGE

LONG DISTANCE MOVING TIPS

NEVER GIVE A MOVER A DEPOSIT

- Never give a mover a deposit (95% of deposits result in moving scams)
- It is okay to leave clothes in your chests and dressers. Remove any breakables or heavy items.
- Designate a place for items that you do not want the mover to touch. (Best place is in the car or bathroom)
- For electronic systems: use a camera to take pictures of how wiring is hooked up for computers, surround sound, televisions and other electronics. Or scotch tape and label each wire and where it goes.
- Make sure movers have all cell phone numbers and that your phone is fully charged to stay in contact.
- Donate or throw out items you haven't used in a while. Why pay to move something that's not going to get used!
- Back up files on the computer just in case something happens during the move.
- Plan and measure where your furniture will be placed in your new home.
- If a flat rate price is chosen on your move we are expecting you to be organized and ready for the crew. Any boxes not ready to be moved will not be taken or they will incur additional charges.
- Any abnormal pieces such as: Large statues, safes or large rocks that are being moved must be noted prior to the move.
- PAYMENT: Cashiers check, money order, cash or Visa/MC. when using credit or debit cards (there is a 2% convenience fee) it is your responsibility to ensure funds are available. (not exceeding daily limit, billing address is correct, etc.) Payment is due day of delivery when paying with cashiers check cash or money order.
- Due to nature's unpredictability we may not be able to move you under certain circumstances such as heavy wind, heavy rain, Snow, and hurricanes. However, we will do everything possible to get your move done as soon as possible.
- Any gasoline should be emptied from items we are moving.
- Outside furniture should be clean and dry. BBQ grills should be empty (charcoal, grease, tanks)
- The movers are not permitted to go in the attic for safety reasons.
- Please review your estimate to make sure your items going match the list on the estimate. If there are additional items please contact your estimator.
